

We Improve Communication for Life

# Motor Mouth

**Small group therapy for children  
ages 3-5 who have a severe  
articulation disorder**

**Group meets one time per week for  
one hour with a speech-language  
pathologist and 4-5 children.**

**The group focuses on improving  
intelligibility of speech.**

**Parents are able to observe and are  
offered suggestions for home carryover.**

**For more information,  
call 614.263.5151 or  
[www.columbusspeech.org](http://www.columbusspeech.org)**
